little things

♥ 1

i love the way you are 🐘 and i 🦒 it like our little secret I love it so much it sososo special to me i really can't describe

♥ 2

i love how you always hold my hand while we driving it make me feel so loved and happy I love holding your hand so much just as much as I love holding you

♥ 3

i love how you give me keesssss while i sleep on you this makes me feel so safe and comfortable and yummy always

♥ 4

i love how you'd hang out with me even after your super duper long and annoying fair shifts even though you so exhausted and tired, and somehow you looked so freaking beautiful even after 7 hour shifts in hot sun 😡😡

♥ 5

i love our little own words that you came up with it also like our little secret this sososo special to me
i meeeesss you and i gonna give you so much kees all over your beautiful face baby i lees you soso muchh

♥ 6

i love how much you tell me you miss me it make me feel so loved and valued and yummy even though
i always miss you infinity times more 😡😡😡

our firsts

♥ 7

you first person i ever feel comfortable crying or showing any emotion around and it make me feel so loved and
safe with you i love you so much you really are my comfort person

♥ 8

when i sick this summer and you showed up to my house with yummy tea and soup and grilled cheese and let me
nap on you maked me feel so lucky to have you i just went inside and cry cause i so grateful to have you

♥ 9

first time we hanged out alone together i know how shy i was cause i was sooo nervous and i not talk much but
i feeled so comfortable being quiet around you and i never feel comfortable about this around anyone but you

♥ 10

first time you falled asleep on me and i just sat there not moving a single muscle even while they cramped cause
of awkward position i sitting in, i remember just thinking i would sit like that for hours you're just so precious

♥ 11

when i finded out Ricco not so well you the only person i telled for a long time and it just make me realize
how much i love you and need you, i don't know how i would live without you

♥ 12

our first keeeeeeeeeesss just felt so so so special to me i can never describe this and how excited i was after
i just felt so in love with you and wanted you as my everything and you becomed my everything

to come home to

gonna be a part of it and you gonna be the bestest mommy to my kids someday

words can describe and you make it so easy to love you every second of every day

always run to first no matter what happens and i don't know how i'd live without you

make me such a better person

[illegible]

one more thing

i cannot put into words how beautiful you are baby, your yummy smile literally could light up an entire city

and you truly make everyone around you 1000x happier. you're the most stunning girl in the world and i will

forever take infinity pride in the fact that i get to call you my girlfriend. you literally look like a super model and

somehow you choosed me. you have the most perfect yummy looking face in the entire universe and whenever

i see you all i think about is how much i wanna give you big keesss. don't even get me started on your yummy

body cause you have the most perfect beautiful body in the whole universe and it just make me wanna nom nom

you. I love you so much and please remember that no matter what argument or distance gets between us that you

are always my everything and i am eternally grateful and lucky to have you. i love you endlessly baby thank you

so much for everything you are to me .i didded alot of crying writing all this cause it just remind me how much

you mean to me. I love you infinity billion trillion infinity times

*thank you for being the luckiest thing
that has ever happened to me, you truly are all
my 11:11's*

always yours,
